## Career Objective

Innovative and detail-oriented (Front-End Developer) with a passion for creating responsive and user-friendly websites. Skilled in collaborating with back-end developers, utilizing version control systems, and staying up to date on emerging technologies.

## Skills & Competencies

- Strong understanding of HTML, CSS, JavaScript and React.JS
- Front-end Frameworks
- Responsive Web Design
- Web Accessibility and Version Control
- Cross-Browser Compatibility
- Good at MS Office.
- Self-reliant and quick learner
- High adaptability and flexibility to manage in a dynamic, fast-paced environment.
- Problem Solving skills and Adaptability.
- Excellent communication and collaboration skills.
- Ability to work independently and as part of a team.
- Time Management

## Education Qualification

- Bachelor's Degree (B.Sc.) with Computer Science from Andhra University from 2021-2024.

## Work Experience

### **Role: Front End Developer (as an Intern)**

- Developed and maintained front-end coding standards, resulting in a slight increase in code quality and improved website performance.
- Developed and maintained high-quality, reusable, and responsive front-end code using HTML, CSS for few entities like college, weather, food and so on.
- Collaborate with designers to translate design mock-ups into functional web interfaces.
- Ensure cross-browser compatibility and responsiveness across all devices.
- Write clean, well-documented, and maintainable code.
- Stay up to date on the latest front-end development trends and technologies.
- Assist with debugging and troubleshooting front-end issues.
- Collaborated with back-end developers to merge front-end elements with server-side functionalities.
- Engaged in code review meetings and actively participated in the feedback process.
